PRODUCT CATALOGUE

ABOUT US :- We Physio Life Care, are a proprietorship company offering our services as manufacturers, traders, exporters and importers for a wide assortment of medical equipment. We have recorded positive growth within a short duration. Our mentor's domain expertise and technical knowledge and the dedicated support of a team of experienced technicians and engineers enable us to produce advanced and reliable products to meet the security requirements of diverse sectors. Due to the support of our mentor and team. We have also participated in World Bank financed projects. Presently we have captured the domestic as well as the international market... Moreover, we focus on 'Consistency' and 'Customization', which enable us to earn accolade from many global medical equipment dealers.

OUR GOAL & VISION :- Our goal is to provide qualitative products to our clients all across India and other countries and at reasonable price. To become global leader in the field of medical equipment manufacturing, trading, exporting and importing

PRODUCTS WE OFFER:- Hi-Tech and Digital medical equipment, like RE-HABILITATION, PHYSIOTHERAPY, OCCUPATIONAL THERAPY, SURGICAL CAUTERIES, O.T. AND EXAMINATION LIGHTS AND TABLES FOR ALL PURPOSES, STERILIZERS AND SUCTION ALL SIZE AND SHAPES, COMPLETE RANGE OF HOLLOWWARES AND HOSPITAL FURNITURE, SURGICAL INSTRUMENTS, FITNESS EQUIPMENTS AND SLIMMING BEAUTY EQUIPMENTS.

INFRASTRUCTURE & TEAM ;- We have a well equipped infrastructure, located in New Delhi, which is segregated into different units for better handling of production. These are product designing unit, quality checking unit and packaging unit. Our team of experienced engineers & associated workforce also enable us to carry out the manufacturing activities to produce flawless range. Moreover, we also work systematically to develop international quality standard and customized products. We also have a team of well trained, experienced and dedicated engineers, product designers, technicians and other industry professionals who assist us in manufacturing of qualitative products. All of them are well versed with the latest technology and have the capability to fabricate the range, which matches with the latest trends. Further, our team also helps us to bring innovative changes in our range that ensures its delivering optimum performance at client's end

WAREHOUSING & PACKAGING :- We have with us a spacious warehouse to store the raw materials and finished products. Further, we also have a packaging unit to park the range with proper labeling. The effective use of qualitative materials such as corrugated boxes, cartons, sheets to pack the products enables us to protect our ranges from damage during the transit period.

ON TIME DELIVERY :- We are committed to deliver our consignments within the stipulated time frame. This is an integral part of our business ethics. Further, our consignments reach to the far off and local markets at a fast pace

OUR EXPORT MARKET :- Today, our products are available at the domestic as well as in the international markets. We are also expanding our supply network to a gamut of countries, which are : Bahrain Ethiopia Mauritius Jordan Sri Lanka Iraq Bangladesh Nepal Tanzania Afghanistan Ireland Lagos
